## COME SEE US IN OUR NEW OFFICE

**For Ontario residents,** the Assistive Devices Program continues to provide a \$500 grant per ear for hearing aids. If you are accessing the grant for replacement hearing aids, your current hearing aids must be at least 3 years old, no longer functioning and not repairable for a reasonable cost. They will also provide a \$1350 grant towards the cost of a FM system provided you are going to use this system every day.

All hearing aids are purchased with a 90-day trial period.
